

North Eastman Health Association

VALUES

Trust – being open and honest.

Compassion – treating all people in a caring manner.

Respect – the worth and uniqueness of each individual.

Commitment to:

- *Innovation – seeking better ways of doing things.*
- *Excellence – in our care and service.*
- *Accountability – being responsible for our actions.*

VISION

Best possible health for all.

MISSION

To provide and promote quality services that are responsive to the health needs of our population.

STRATEGIC PRIORITIES

Accessible Services

Those needing care have access to integrated health services.

Quality Care and Services

Continuously improve our processes ensuring efficiency and effectiveness.

Healthy Living

Facilitate the development of healthy habits and lifestyles through community partnerships.

Healthy and Productive Staff

Provide a healthy, safe and productive environment for people to work in.
