

# Community Health Assessment (CHA) 2008 - 2009

The CHA will give us a picture of the overall health of the people in North Eastman...

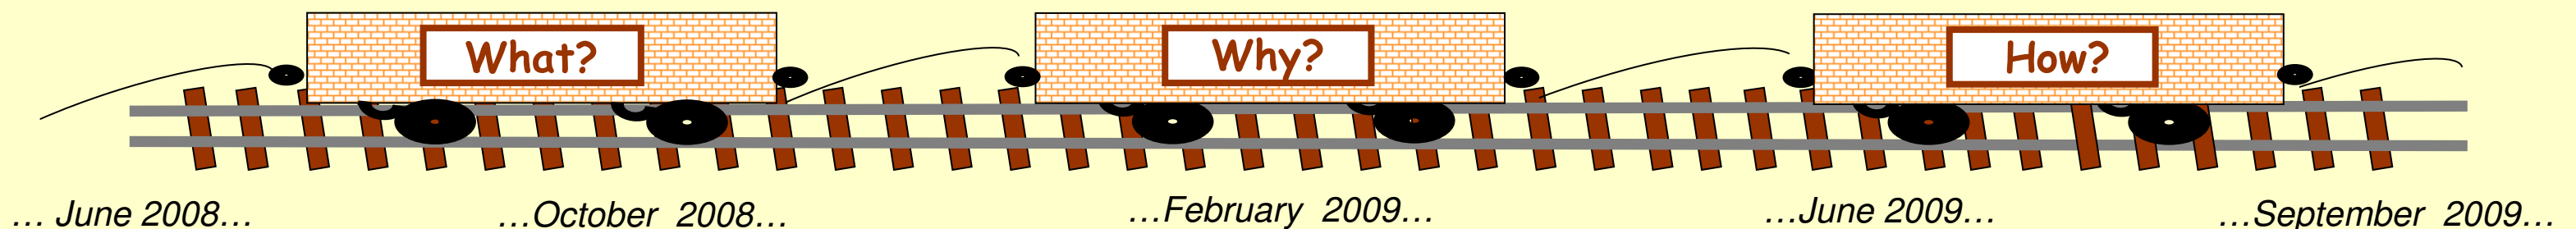

Information in the CHA leads to *positive changes* in Health Care such as....

- Cancer Care established in Pinawa
- Enhanced Diabetes Program
- Partnership with Hollow Water First Nations for Public Health Nursing Services established
- Enhanced Suicide Prevention Initiatives
- Provision of Nurse Practitioners in Black River and Hollow Water
- More full-time and part-time Emergency Medical Services staff

We will be reaching out to talk with people in the community about things that affect health. Watch for...

- Focus groups
- Questionnaires
- Surveys
